

Information

Dear School Community

Lisbon, August 26, 2020

I reinforce the information provided on August 18, 2020, and remind you that the administrative services of the Patrício Prazeres School Group, headquartered at EB Patrício Prazeres, within the scope of a partnership with the producer “Coral Europa”, for facilities assignments, will be closed on the **27th and 28th of August 2020**, being only possible to attend by phone or via e-mail. (218140564 / secretaria@aepp.pt)

Certainly, this protocol will be an asset for our Group of Schools; I thank you for your greater understanding of any constraints that this situation may cause.

I would like to take this opportunity to inform you that the beginning of school activities in our School Group is scheduled for **September 17, 2020**, and it is essential that you collaborate in the implementation of the measures that will be adopted taking into account the Covid-19 pandemic, of which they will be timely informed.

I hope that, in this very difficult time for everyone, they remain in full health.

Cordial greetings.

O Diretor
