Dear School Community

According to guidance of Direção-Geral dos Estabelecimentos Escolares (Dgeste) and Direção-Geral de Saúde (DGS) the Group of Schools Patrício Prazeres, has been planning the beginning of school activities, as well as the procedures related to measures of protection and social distancing due to the contingencies of the Covid-19 Pandemic.

So bearing in mind all the constraints, our Group of schools decided to take a few measures leading to minimizing the risk of transmission in school environment, so as to safeguard the welfare and health of students and those who daily attend our school, namely teachers and other staff.

The procedures we decided to adopt were approved by Conselho Pedagógico and Conselho Geral and must be **forcibly** followed by the Scholl community from September 17th onwards (beginning of the school year):

- ✓ Only students, teachers and other staff are allowed in the school facilities. Everyone must respect the new signs scattered around in every school of our Group. The administrative services which are located at EB Patrício Prazeres, are only available via telephone or email. All personal attendance must be booked in advance.

- ✓ **If you have any symptoms of Covid-19** (a fever, dry cough, sore throat, diarrhea...) **don't come to school, contact Linha Saúde 24 (808242424) and wait for their instructions or you may be putting everybody at risk at school.**

- ✓ Students and parents must always wear face masks, keep social distancing and follow the marks on the pavement. Pre-school or primary students don't have to wear a face mask unless their parents decide otherwise. Parents are just allowed to enter the premises shortly at the beginning and at the end of the school day.

- ✓ **Every class must follow their timetable. Stray students are not allowed in school.**

- ✓ You can contact your class teacher via telephone, email and "G-Meet" platform.

- ✓ Pre-school students, 1st graders and 5th graders will meet their new teachers on the 15th and 16th of September in their own schools. Please, check the calendar.
- ✓ The students' snack bar attending hours will be limited. **Please send your kid(s) a snack.**
- ✓ For further information consult www.aepp.pt.

Protect yourself and others.

We are living exceptional times. Stay safe .

We will soon be together again!
